Employee Benefit Plans**

Thank you for your interest in The Solinsky Financial Group Dental Plan. SFG acts as the Plan Administrator, but the Managed Care Plan is provided by Employers Dental Services (EDS), one of the oldest and largest Managed Care Plans in Arizona. EDS offers quality, affordable, dental services by contracting with participating Primary Care Dentists throughout Arizona. For your convenience, many of these have extended office hours.

Coverage begins the first day of the month after the initial payment and enrollment information is received by SFG. You may stay on the plan for as long as you wish, as long as you continue to pay your premiums to [AVX Enterprises](#). However, **you must remain on the plan for a minimum of one year.** Also, **coverage needs to be continuous.** You cannot get on and off the plan at will. If you do lapse, then wish to come back on, recontracting occurs and there is a fee for the time between the cancellation and recontracting dates.

There are no claim forms, no deductibles, and no yearly maximums. All pre-existing conditions are covered except for those procedures that are in progress. EDS offers an orthodontic (braces) benefit for both children and adults. Refer to the schedule of benefits for a complete list of covered procedures and member costs. When the services of a Specialist are required, the member may receive those services from a participating EDS authorized Specialist, where one is available. Where a participating EDS authorized Specialist is available, the member pays a reduced fee from the authorized Specialist's normal office charges.

The family rate is for the entire family, no matter how many children. But, children are only covered until the limiting age. You choose, single or family coverage. Follow these directions to enroll in The Solinsky Financial Group Dental Plan through EDS:

1. Complete the enrollment card. Select a Dental Facility from the list of participating Dentists (use the code number).
2. Make out your check to [AVX Enterprises](#) for the premium amount.
3. Send the enrollment card (both copies) and the **check** for the premium to:

The Solinsky Financial Group, Inc.
11240 E. Calle Vaqueros
Tucson, AZ 85749

After the initial premium payment that accompanies the enrollment form, you will be billed through the mail for this valuable coverage.

Prescription Discount Program (not an insurance)

What is the Prescription Discount Program?

It is a program that offers substantial discounts on prescription drugs purchased through affiliated pharmacies. As a member of Employers Dental Services you are eligible for a prescription drug benefit.

How does the program work?

When you need to fill a prescription, go to one of the participating pharmacies and present your EDS I.D. card with the prescription. **YOU MUST PRESENT YOUR EDS CARD** to receive the following discount:

- **Brand Name** drugs are offered at the average wholesale price less 15%, plus a \$3.00 dispensing fee.
- **Generic Substitutes** are offered at the average wholesale price less 30%, plus a \$3.00 dispensing fee.

This program is not valid in combination with other discount plans, HMO prescription benefits or prescription cards. The program is available to EDS members and their families. All family members do not have to be enrolled in EDS to utilize the prescription discount program. This benefit is good on medical as well as dental prescriptions.

Which stores participate in the Prescription Discount Program?

Currently, pharmacies located in Bashas', Fry's, and Safeway stores participate in APN.

Formal Grievance & Appeals Process

Levels of Review

EDS members may ask EDS to review its decisions involving their requests for services or requests to have claims paid. The Arizona State Legislatures have established six levels of review. Companies that perform utilization review activities after services are provided (EDS is in this category) are not required to provide the Expedited Appeals Level 1 (Expedited Dental Review), Level 2, (Expedited Appeal), Level 3 (Expedited External Independent Dental Review) or Standard Appeals Level 1 (Informal Reconsideration). EDS members have two levels of review available to them. They are Standard Appeals Level 2 (Formal Appeal) and Level 3 (External Independent Dental Review).

There are two types of appeals: an expedited appeal for urgent matters, and a standard appeal. Each type of appeal has 3 levels. The appeals operate in similar fashion, except that expedited appeals are processed much faster because of a patients' condition.

Expedited Appeals

(For urgently needed service you have not yet received)

Level 1	Expedited Dental Review
Level 2	Expedited Appeal
Level 3	Expedited External Independent Dental Review

Standard Appeals

(For non urgent services or denied claims)

Formal Appeal
External Independent Dental Review
